Salida Regional Library: Next Level Maps

A Digital Walking Tour of Salida

Each of the google markers in the map below link to a specific Salida address. Click on a red marker and it will link out to a historic photo of the building at that address. Many of the photos contain detailed historical information from the Salida Historic Buildings Survey, which were completed in 2001. This collection includes images from the collections in the Salida Archive. If the Archive does not have a photo of a certain business, it will not appear on the map. But information can still be found about most of Salida’s historic buildings in the Surveys, which are available online.

Salida’s historic buildings in the surveys, which are available online.
