

Discovery Committee Meeting
3 May, 2016
Minutes

Demo of new features/bug fixes to be released

- Mark demoed some bug fixes for this next release. This included:
 - Text widget
 - Changing PIN
 - Format limiting
- Also in this release included a good deal of work for side-loading records (for services such as EBSCO, OneClickDigital, etc.)

Schedule of upcoming work

- Mark shared the Pika development schedule which was shared with Marmot Council the previous week. Upcoming projects include:
 - More digital archive work likely through October
 - Fort Lewis College single sign-on
 - Nashville ILS migration
 - Data conversion
 - New Pika enhancements will likely start in early 2017

Next Sprint

- More bug fixes
- More Digital Archive work

Libraries Update:

- None this meeting

Next Meeting: Tuesday, June 7, 2016
